## Taxi trượt băng

Người dịch: NGUYỄN TƯỜNG MINH

1. Oh boy! Today is the opening of ice fishing on Mudhen Lake! I can see scads of fishermen hiking across the ice to the fishing holes at Trout Cove!

2. Some of those fat ones are having a hard time carrying their fishing gear while sliding around on the slick ice!

3. That gives me an idea!... If I had some way of hauling a few of those rich sports over and back, I could make myself a pile of piasters!

4. That rusty motorboat I bought last summer is just sitting there gathering snow!... Perhaps I could fix it up to navigate on ice!

5. These sled runners could be attached to the hull! And that old ratchet wheel could be geared to the propeller!

6. Thus it happens that Donald is soon in the ice taxi business — start out across the ice!

7. I'll park at the foot of Main Street, where the fishermen start out across the ice!

9. Ride the Sofa Express! Fifty cents to the fishing holes! One half of a dollar! that yelling? I'm going to see!

10. ? 11. Is that another taxi driver doing

12. Ride the Sofa Express! Fifty cents a fare! what that thing they've got?

13. One half of a dollar!

14. My stars! It's Huey, Louie, and Dewey! And

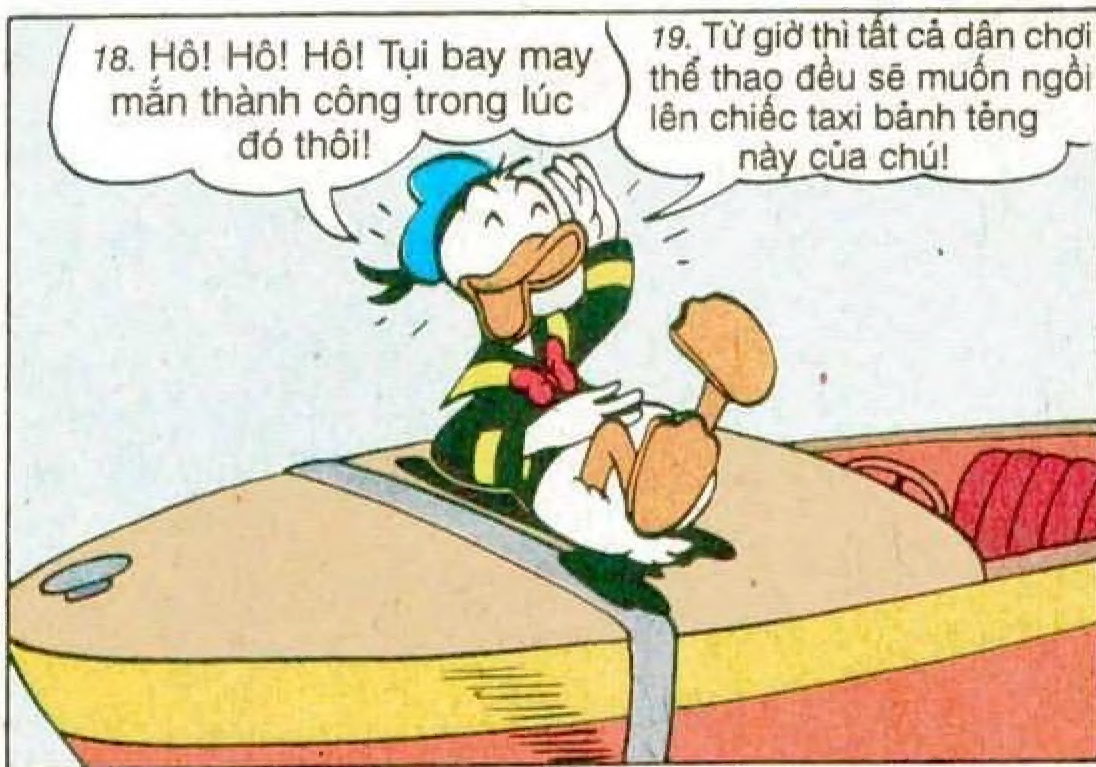

15. That thing doesn't run, does it? Aren't you boys only kidding people?

16. We've been running it for two hours!

17. Made three dollars already hauling fishermen!

18. Haw! Haw! Haw! You're lucky you made it while you could!  
19. From now on the sports will all want to ride in my posh taxi!

20. We'll do the best we can, Unca Donald!  
21. Ride the Sofa Express! Fifty cents!

22. I like that odd ice taxi you have there, boys! Could you haul me across to the fishing grounds?  
23. Goodnight! That's the mayor, himself!  
24. You're no sack of feathers, sir, but we can get you across in five minutes!

24. Thưa ngài, ngài chẳng nhẹ gì, nhưng tụi cháu sẽ đưa ngài qua trong năm phút!  
25. Xin bước lên xe và ngồi xuống!

26. Don't be a sucker, Mayor! That taxi's nothing but an old sofa pushed by a power lawn mower!  
27. I can see that, mister!

28. I'll see that he has a rare experience, all right!  
30. SNIP!

29. He'll soon be glad to pay a dollar to ride in my safe taxi!

31. All clear, Dewey! Yank the starter and awa-a-a-ay we go!

32. Hey! What's the matter? I can't steer the boat!

33. Oh, my goodness gracious!

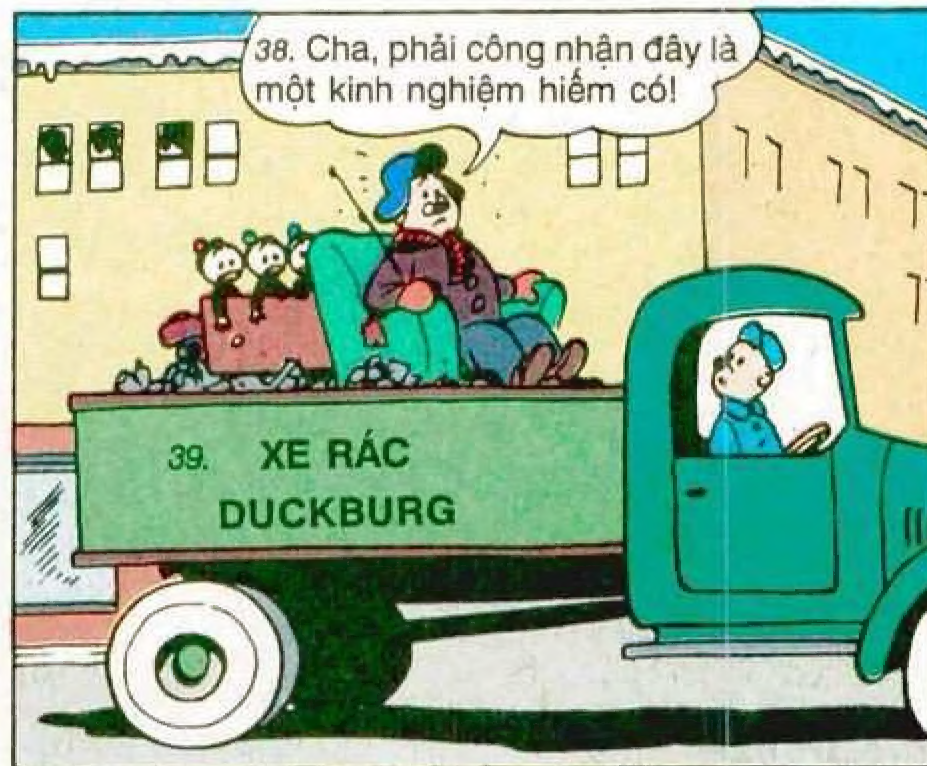

34. Shut off the motor!

35. I'm trying to!

36. Look out below!

38. Well, I must say, this is quite an experience!

40. Later — 41. Why not be smart, Mayor, and ride with me in my safe taxi?

42. If I were smart, I'd have stayed home in bed! But I'm foolish enough to give these hardworking boys another chance!

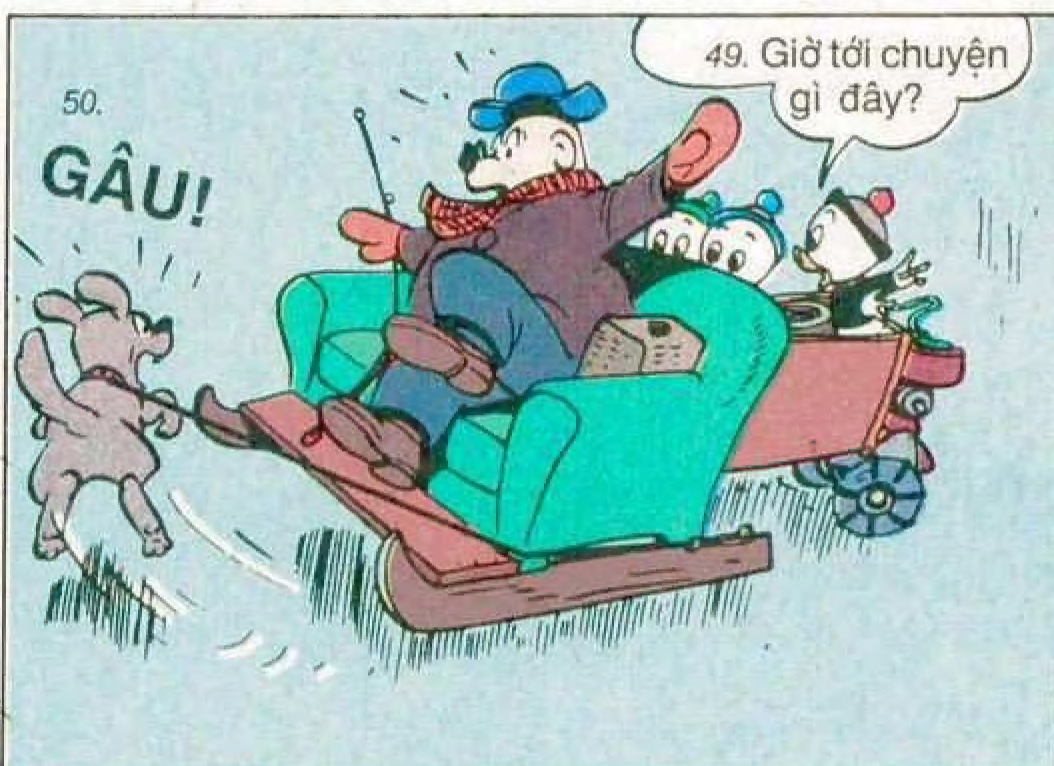

43. I hadn't expected the Mayor to be so good-natured! What can I do to give him and the kids another bad time? 44. Oh, boy! The Mayor's dog has followed him down to the lake! That gives me an idea!

45. And there's stray cat! Things are sure working my way! 46. Be calm, Kitty! I'm only keeping you out of reach of the dog!

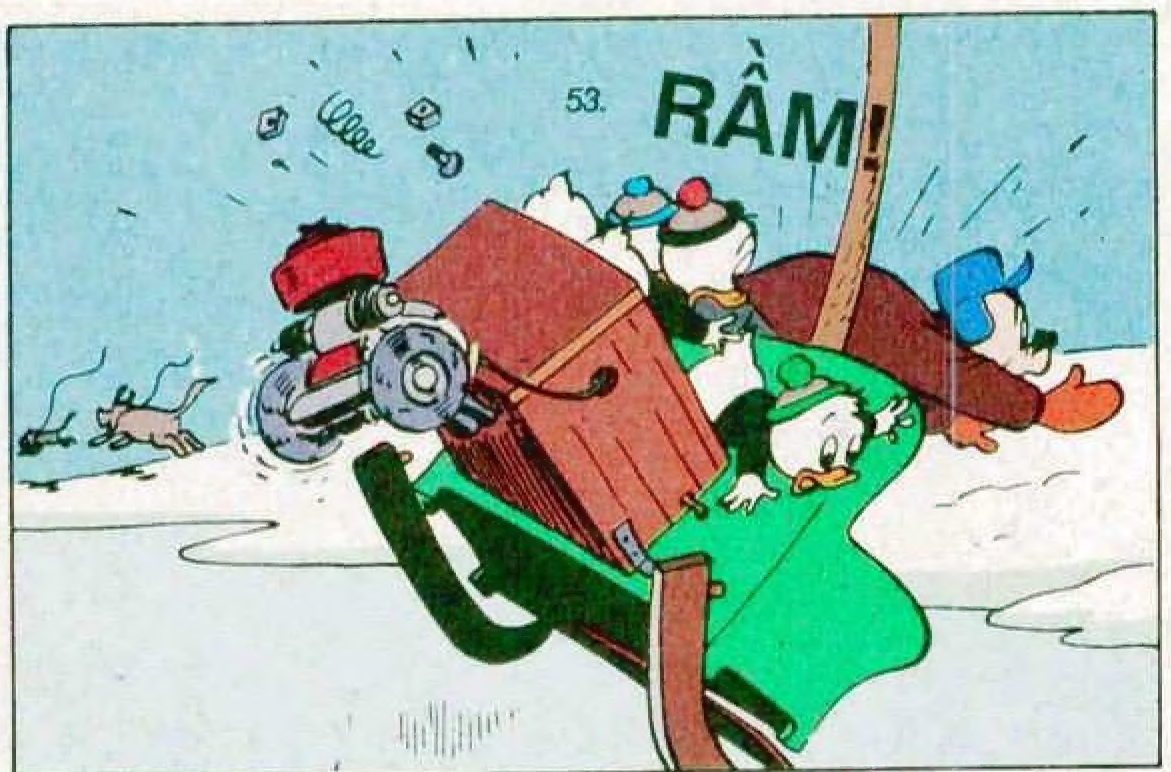

47. Now to tie the dog to the other end of the sofa! 48. Hold tight, your honor! We're all ready to start again!

49. What's happening now? 50. ROWF! 51. Oh, my goodness! This is the end of my civic dignity!

52. I should play some merry-go-round music, but the Mayor might not appreciate it!

53. CRASH!

54. Now, how about riding in my taxi, Mayor?

55. People might not understand your staggering! Better hop aboard quick!

56. I'm afraid you're right, sir!

57. Ta, ta, boys!... See you in the funny papers!

58. ZOW!

59. All of our bad luck was caused by Unca Donald's dirty work!

60. He'll come to no good end with such dishonesty!

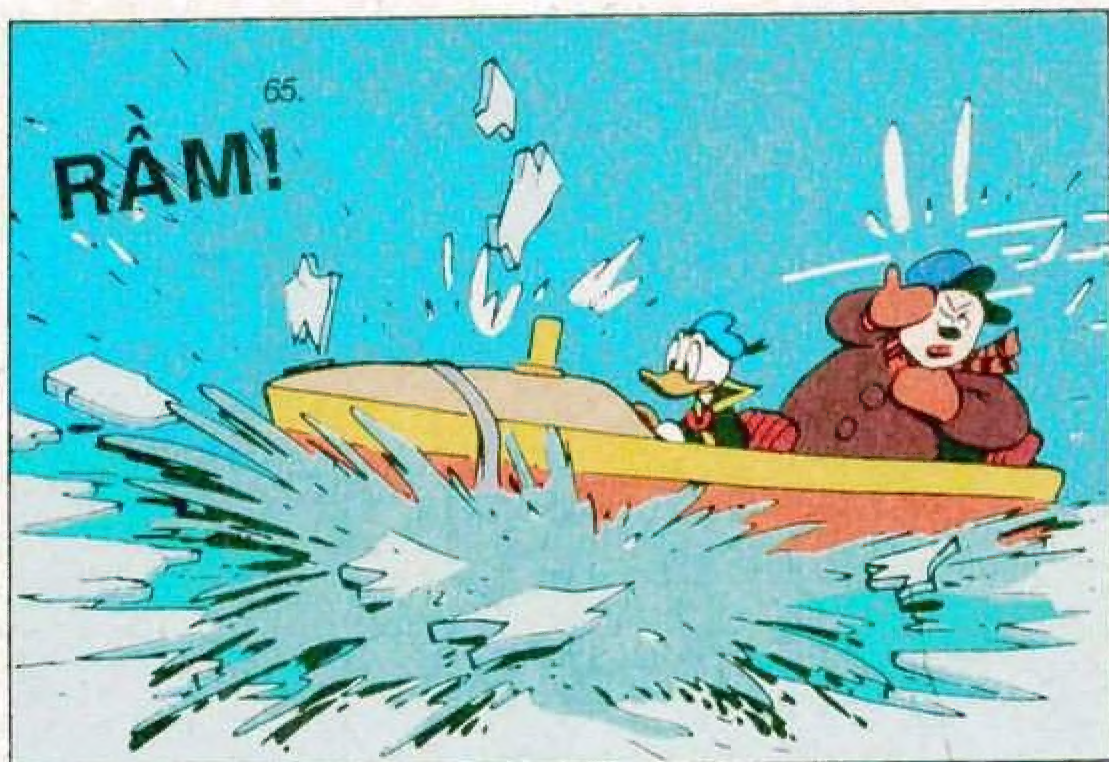

61. Where do you want me to deliver you, Mayor? watch where you're going, Mr. Duck! Please!

62. To Trout Cove! I have to crown the Queen of the Fish Fry!

63. And

64. DANGER THIN ICE!

65. CRASH!

66. There's nothing to worry about, Mayor! This boat floats as well as skates!

67. It won't float long if you don't turn off that water wheel back there! Brr-rrr! We're fifty feet from the nearest solid ice!

68. Okay! Okay! I've turned it off! But look! We're fifty feet from the nearest solid ice!

69. Haven't you any oars?

70. I didn't think I'd need any! I'll have to use your casting rod and reel us out of the drink!

71. Duck down! I'll see if I can hook the ice shelf!

72. SWISH!

73. I musta hooked the bait basket behind me!

74. CRACK!

76. Two dollars worth of salmon eggs!

75. What was in that jar that spilled down the exhaust pipe?

76. Hai đô-la trứng cá hồi đấy!

77. >Coff! Splutter!< Get us out of here, Duck! I can't stand this awful smoke! on ice in a jiffy!

78. Tôi đã làm chúng ta di chuyển được rồi đó, thưa ngài! Chỉ trong nháy mắt là chúng ta sẽ lại lên tới mặt băng thôi!

79. Hư!

80. There we are! Be seated, sir, while I start up the motor!

81. BRROAR!

82. BZZZ!

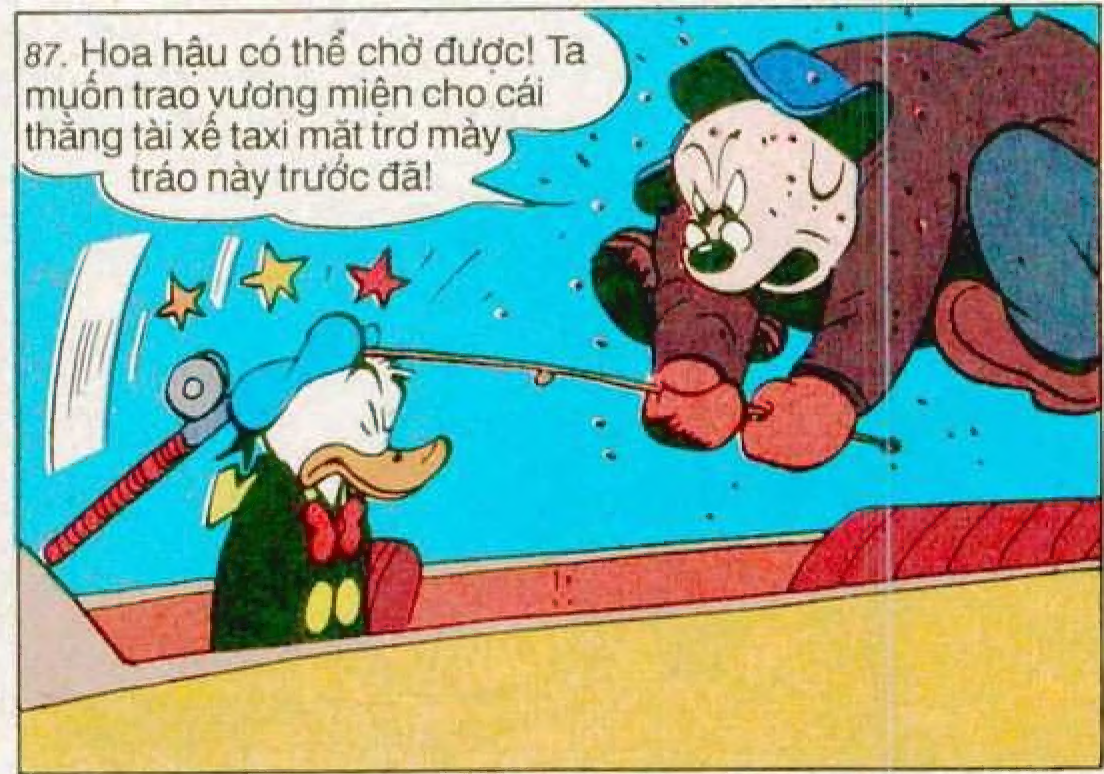

83. My goodness, Mayor! What's that stuff all over your coat and face?

84. Salmon eggs!

85. Trout Cove — 86. Hurry, Mayor! You're just in time to crown the Queen!

87. The Queen can wait! I have a brass-faced taxi driver here that I want to crown first!

88. So Donald's first taxi haul wasn't a howling success — 89. That old grouch wouldn't even pay me for bringing him out here! 90. I'll get even with him! I won't vote for him at the next election! 91. BZZZ!

92. And now, Miss South Duckburg, I crown you Queen of the... 93. TAXI! TAXI! 94. Ride back to Duckburg in comfort for one dollar! One measly little dollar!

95. Oh, oh! 96. Beat it, pest! 97. Scram, you noisy Duck! 98. The mayor's making a speech! 99. Those guys look mad! Maybe I better get moving!

100. Uh, oh! Once again I didn't look where I was going! 101. SPLOOK! 102. Get off of there, you awful Duck! Those are the fish for our fish fry!

103. I'm trying to get off! The doggone drive wheel won't give me any push! 104. There! It's taking hold! 105. JOLT! JOLT!

106. Oh, my gentle soul! This machine has got me into a war! 107. SPLAT! 108. SMACK!

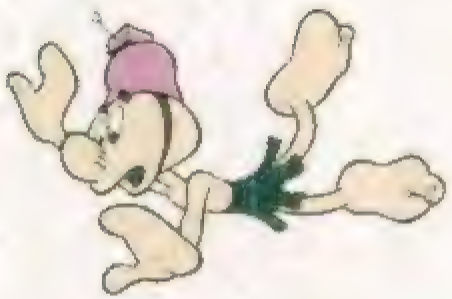

109. I'm outnumbered in men, fish, and fury! Here's where this duck turns chicken! 110. TAXI! TAXI! 111. It's the kids and their sofa taxi! 112. Take me back to Duckburg, quick! Here's my fifty cents fare!

113. For you the fare is five dollars! 114. Payable now! 115. And so — 116. Don't you think our taxi is a safe, comfortable rig, Unca Donald? 117. Shut up! For five dollars I should be entitled to ride in silence!

6. TO LAWSON

7. Soon afterwards —

8. So you're new to this game?

9. Yup! I've heard there's plenty of work for freelance fliers up in the frozen tundra!

10. So I figured I might as well take the

- risk! Blown all my savings and borrowed up to the hilt to acquire this fine machine!
11. Mighty nice craft it is, too!
12. Later —
13. Now let me see! About here's where I had in mind! Don't mind taking a little detour, do you?
14. Eh? Sorry, pal! My plans don't include a mystery tour!
15. You wanna re-think that decision?!!
16. SPLUTTER! GAGGGGG! Wh-where was it you wanted to go?

(\*) Lãnh nguyên: vùng Bắc cực trú trị bằng phẳng rộng lớn của châu Âu, Á và Bắc Mỹ, nơi tầng đất cái đá bị đóng băng vĩnh cửu.

22. Eh? Zip what?  
23. Your mouth, nitbrain! Your big mouth!  
24. Yiii-heel! He's a-made it! He's here!  
25. I'll be pole-axed! That's him okay! As good as his word!  
26. Good ol' Grungy LeGrot! Out of

hoosegow at last!  
27. How're you doni', teller?!! Swell?!!  
28. I-er-could offer these a special concession of half fare, too, if you liked!  
29. Shaddap! I've news for you!  
30. Yeah? And I'm bettin' it ain't of the cheery variety, eh?

31. Not for you, it ain't! I'm taking over this helicopter!

32. Eh? But that's robbery!

33. No, it ain't! You're giving it to me of your own free will!

34. I most certainly am not!

35. Oh, yes you are!

36. Waaaakkk!

37. Okay, Grungy! Let's have it away, baby! Let's go let our hair down!

38. Not quite yet!

39. Why not?

40. Because that horrible, deceitful, dreadful little duck made off with the

ignition keys! That's why!

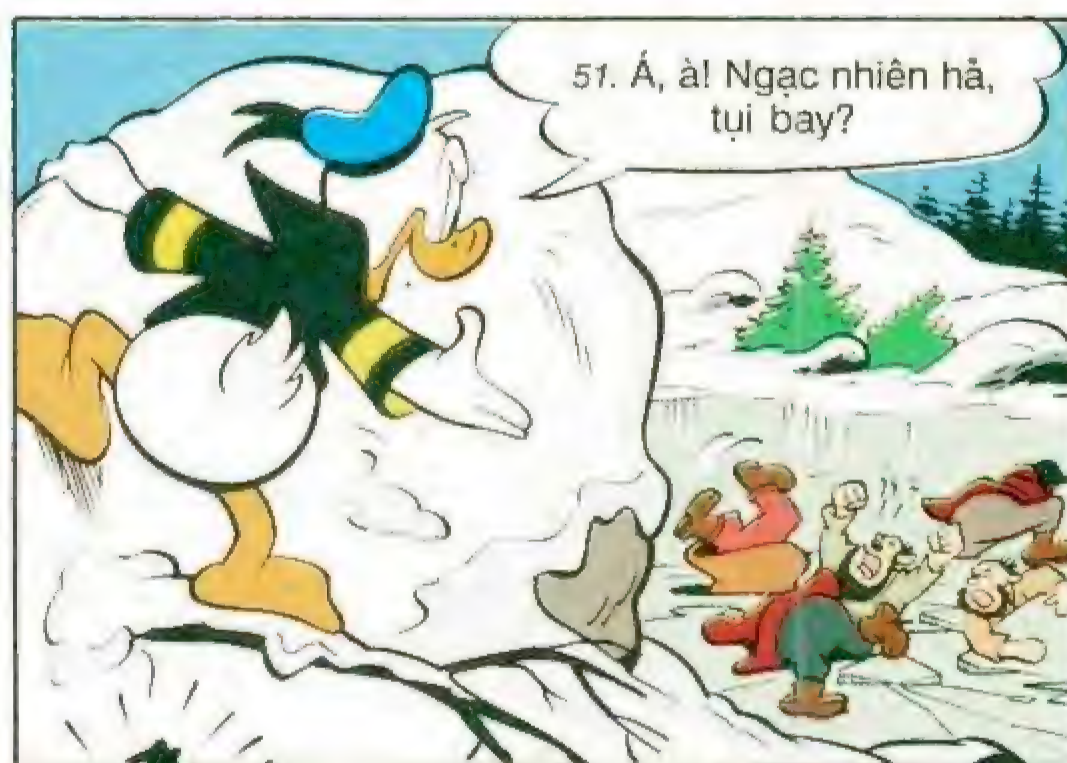

41. Soon —

42. We're gaining on him!

43. Nearly got him now!

44. His legs are giving! I can see!

45. Uhh! Ohh!

46. He's ours!

47. Just over that rise and he's ours!

48. And then we mangle him, huh, boss?

49. However —

50. AAAHHH!!

51. Well, well! Wasn't that a surprise, boys?

52. Just shows you! Appearances can be deceptive! I ain't quite as dumb as I look! That's if I do look dumb! Which I

don't, of course!

53. Anyway, let's get back to that chopper!

54. Phew! Not before time, too! They're fast on my heels again already!

55. CHOC-A-CHOC-A-CHOC!  
56. Sorry fellers! No non-fare paying passengers this time!  
57. Huh? Funny! There's some drag and pull on the chopper! What's going on?  
58. Oh, noo! Wouldya believe it?!! The great hog grabbed hold of the bottom of the doorway!  
59. And all his dumb-bonce friends have

grabbed hold of him! Well, we can't have this!  
60. Just set this on auto-pilot! And then...  
61. Sometimes a duck has to make his stamp in this world!  
62. STAMP!  
63. Oh, Holy Crow! His hands are so tough, you'd think they were made in a tannery! Jumping on 'em has no effect

on him!  
64. STAMP! STAMP!  
65. When I get aboard, duck, I'm gonna make mincemeat outa you!  
66. Never touch the stuff! And I'm not hungry anyway at the moment! Got this pressing problem! How to get rid of you!

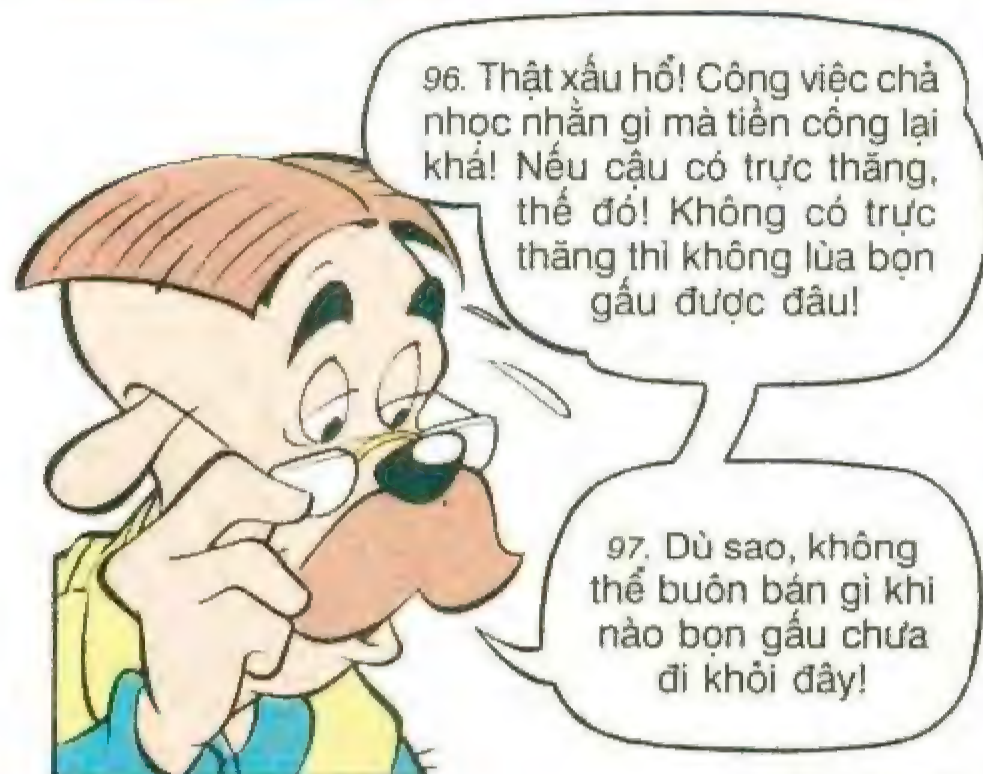

67. Ah-hah! Got it! Oh, this'll tickle you! It will! Talk about knock you down with a feather!  
 68. There you are! There's the feather!  
 69. PLUCK!  
 70. Now! Like it? Ain't that fun? Tickle-

ickle-wickle!  
 71. AAAAAH - AAAAAAH - AAAAAH ...  
 72. CHOOOOOOO!  
 73. And another! Tickle-ickle! And another!  
 74. AAAAAH! AHHH! AHHH...  
 75. There! That does it! Just the job!

76. ...CHOOOOOOO!!  
 77. So long, fellers! Nice meeting you! Happy muddy landings!  
 78. AAAAAHH!  
 79. SPLAT!  
 80. SPLOT!

81. Before too long...  
 82. So this is Lawson, eh? Looks like they sifted through a rubbish heap and tossed the worst bits down here!  
 83. Sure is no beauty of a place!  
 84. ...Donald has reached his destination —  
 85. Right! That's your cargo delivered, Mr. O'Brian! Now have you any other flying jobs for me?  
 86. Plenty, son! Plenty!  
 87. O'BRIAN'S STORES

88. LAWSON  
 89. But only once someone has ridded the town of all the polar bears!  
 90. Eh?! Say again!  
 91. Take a look round! You'll see what I mean!  
 92. I will!  
 93. I-er-see what you mean, pal! Could be I'll be on my way! But where do they come from?  
 94. They come after easy pickings when the ice-floes melt back! And our regular bear catcher just took early retirement!  
 95. Can't say I blame him! Think I'll do the same

myself right now!  
 96. 'S a shame! The job ain't hard and the money's good! If you have a helicopter, that is! Can't move bears without a helicopter!  
 97. Anyway, there won't be no trade until all the bears have gone!  
 98. Sigh! I must be mad, I guess! But the payments on the chopper need paying! So what's the deal?  
 99. Nothing to it! You shoot the bears with tranquillising darts, net 'em up and fly 'em back to the great white beyond! Now here's your net and gun!

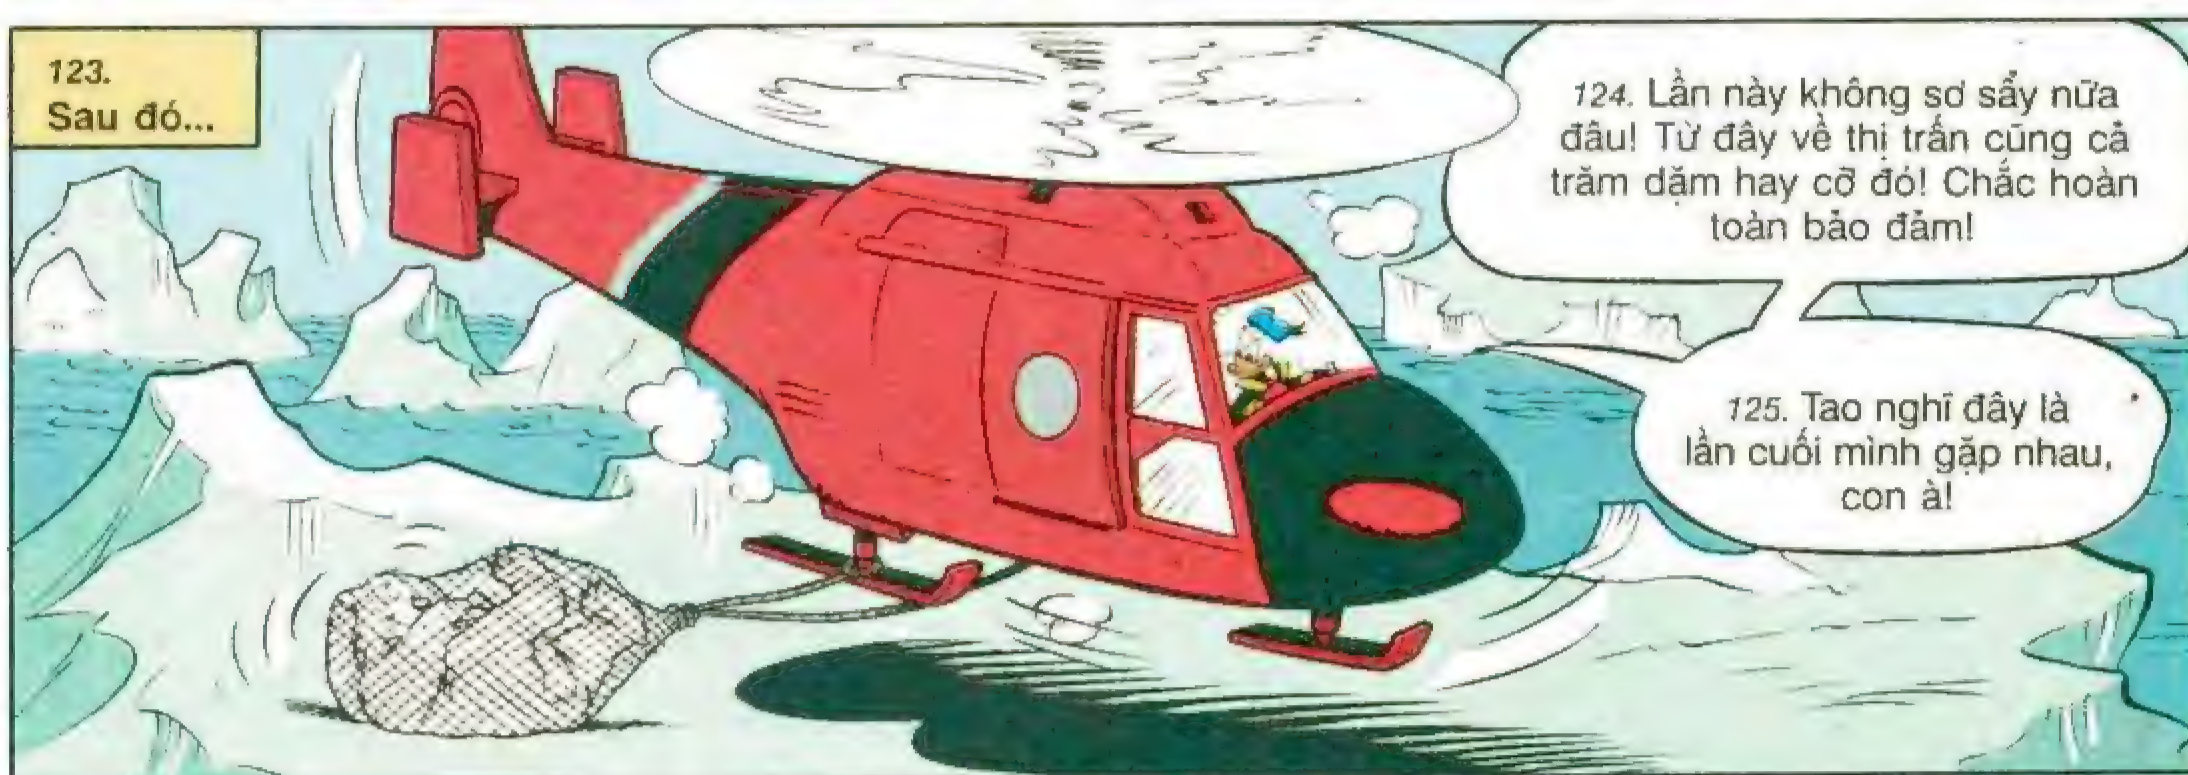

100. But, an hour later —  
 101. Wh-what happened? Wh-where am I?  
 102. Still in Lawson! Oh, and you're meant to shoot the polar bears, not your foot!  
 103. I was shaking too much! Maybe I'd better do this my way! I'll need some bait! Any old waste food will do! And then some powerful sleeping pills!

104. I just happen to have a consignment of lemon meringue pies that have gone out of date!  
 105. Watch out for him! Ol' One-Ear's a real mean one!  
 106. No problem, buddy! None whatsoever! Just watch this!  
 107. There he goes! And awaiting him is one iffy pie stuffed with choicest sleeping pills!

108. Moments later —  
 109. There! Now all I do is hook up the four corners of the net to the chopper!  
 110. ZZZZZZZZZ!  
 111. Away we go! See you later, china!  
 112. Seeya! You're gonna be a very popular guy in these parts!  
 113. CHOC-A-CHOC-A-CHOC!

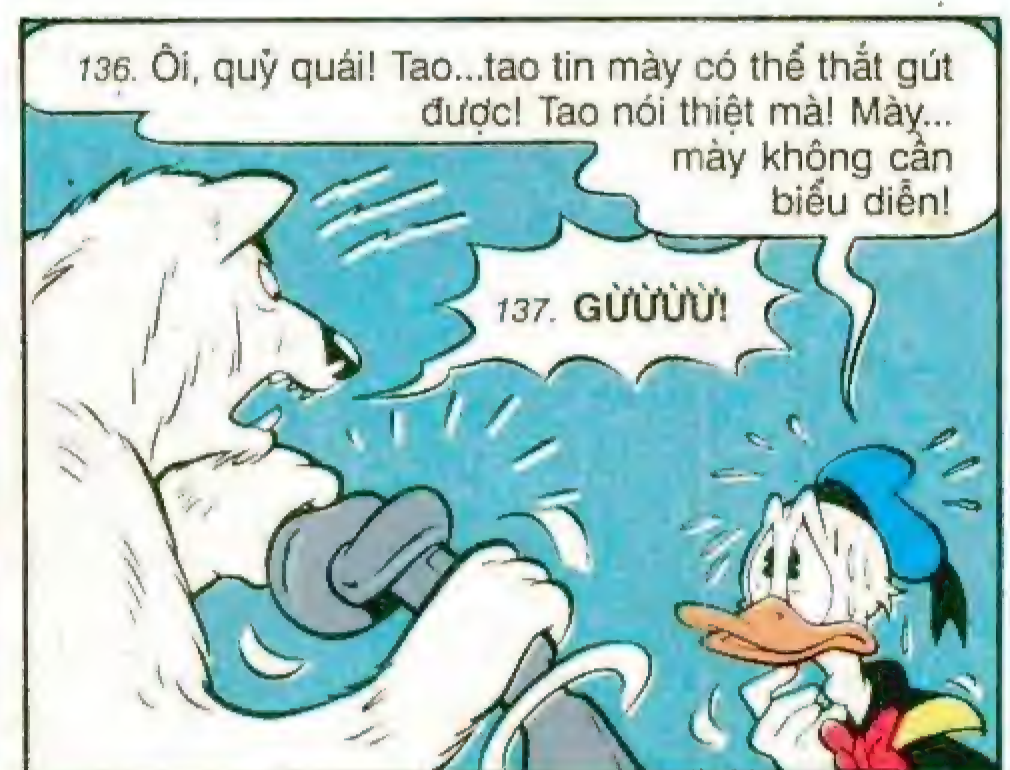

114. A few miles away —  
 115. Sleep well, ol' feller! Pleasant dreams! Now I'll be off to get the next one!  
 116. Several bears later —  
 117. You're doing great! Your entire operation's a complete success!  
 118. Naturally! Like I said!  
 119. Oh, no!

120. Something wrong?  
 121. That! That's what's wrong! Ol' One-Ear's back!  
 122. Eh?! Cor heckey! He must be fond of lemon meringue pies!  
 123. Later —  
 124. No slip-ups this time! There's a good hundred miles or so between here and the town! That should be quite sufficient!

125. I reckon that's the last I'll be seeing of you, ol' son!  
 126. Yep? That so? What Donald has forgotten is that the longer journey has given the sleeping pills longer to wear off!  
 127. CHOC-A-CHOC!

128. Back in Lawson —  
 129. Hey, what's with all the running away? Where's the usual cheery greeting? I brought back the plague or something?  
 130. Worse!  
 131. Ohhhh, milaawddd! H-how'd he manage that?!!  
 132. Lemon meringue pies! Lemon meringue pies!

133. Plenty of 'em! Loads! But...  
 134. ...no more sleeping pills!  
 135. Ohh, mercy! Th-the gun then! Th-the tranquillising darts!  
 136. Ohh, stuffazombie!! I-I'd have believed you could tie knots! Honest I would! Y-you didn't have to show me!  
 137. GRRRRRRR!  
 138. Then take that! And that! And that!  
 139. SPLAT!

140. SPLAT!

## Thư chủ nhiệm

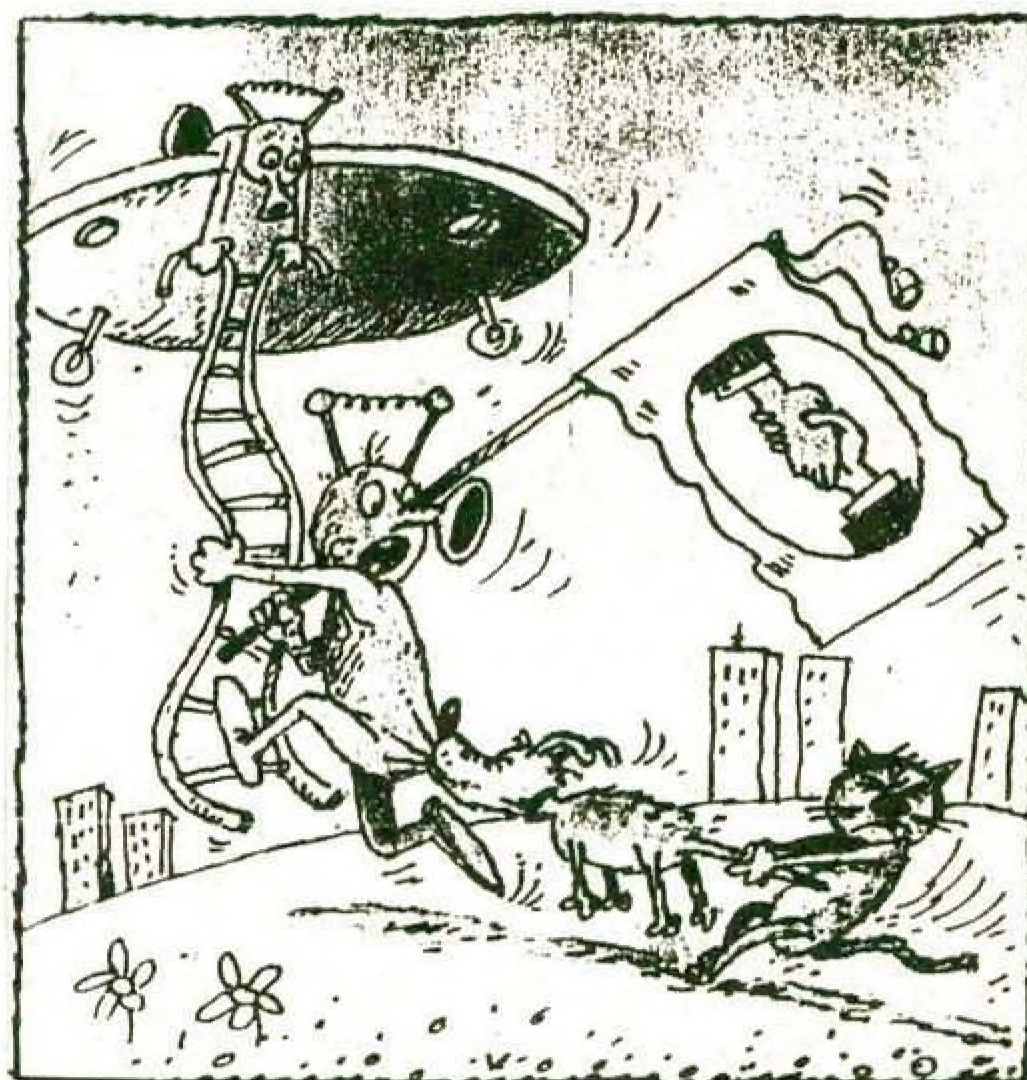

Các em thân mến,  
 Từ một vài số gần đây, "*Donald và bạn hữu*" đã giới thiệu với các em thêm một số nhân vật mới rất dễ thương. Rồi đây, các em sẽ quen thân hơn với chú nhóc da đỏ Hiawatha cùng bộ lạc của chú, cười vỡ bụng với trí thông minh, lém lỉnh của thỏ Brer hoặc sẽ cười ý nhị với cha con nhà sói. Tất cả các nhân vật mới này sẽ làm phong phú hơn "*Donald và bạn hữu*" của chúng ta. Chưa hết, sắp tới anh chủ nhiệm sẽ giới thiệu trên trang Câu lạc bộ tiểu sử của ông Disney để các em hiểu rõ hơn về một con người đã dành hết cuộc đời mình cho thế giới trẻ thơ. Và, như anh đã hứa, sẽ tổ chức một cuộc thi để các em cùng tham dự. Thân mến.

### Mất ngủ

Lúc 3 giờ sáng, một bác sĩ uể oải lăn mình ra khỏi giường ngủ để trả lời một cú điện thoại reo dai dẳng. "Tôi nghe đây," ông rên rỉ vào ống nói.

Một giọng nói lớn "Thưa bác sĩ, rất tiếc phải làm phiền ông vào giờ giấc khuya khoắt này, nhưng tôi bị bệnh mất ngủ khủng khiếp".

Bác sĩ bực bội hỏi "À, thế ông định làm gì đấy, dấy lên một dịch truyền nhiễm phải không?"

### Ý muốn cuối cùng

Bác sĩ đang đứng bên giường bệnh nhân.

"Tôi thật tình không thể giấu ông về bệnh tình trầm trọng của ông", bác sĩ nói, "và đời ông sắp tàn rồi. Thế ông cần gặp mặt ai không?"

"Ồ, có," người bệnh thốt lên một cách yếu ớt.

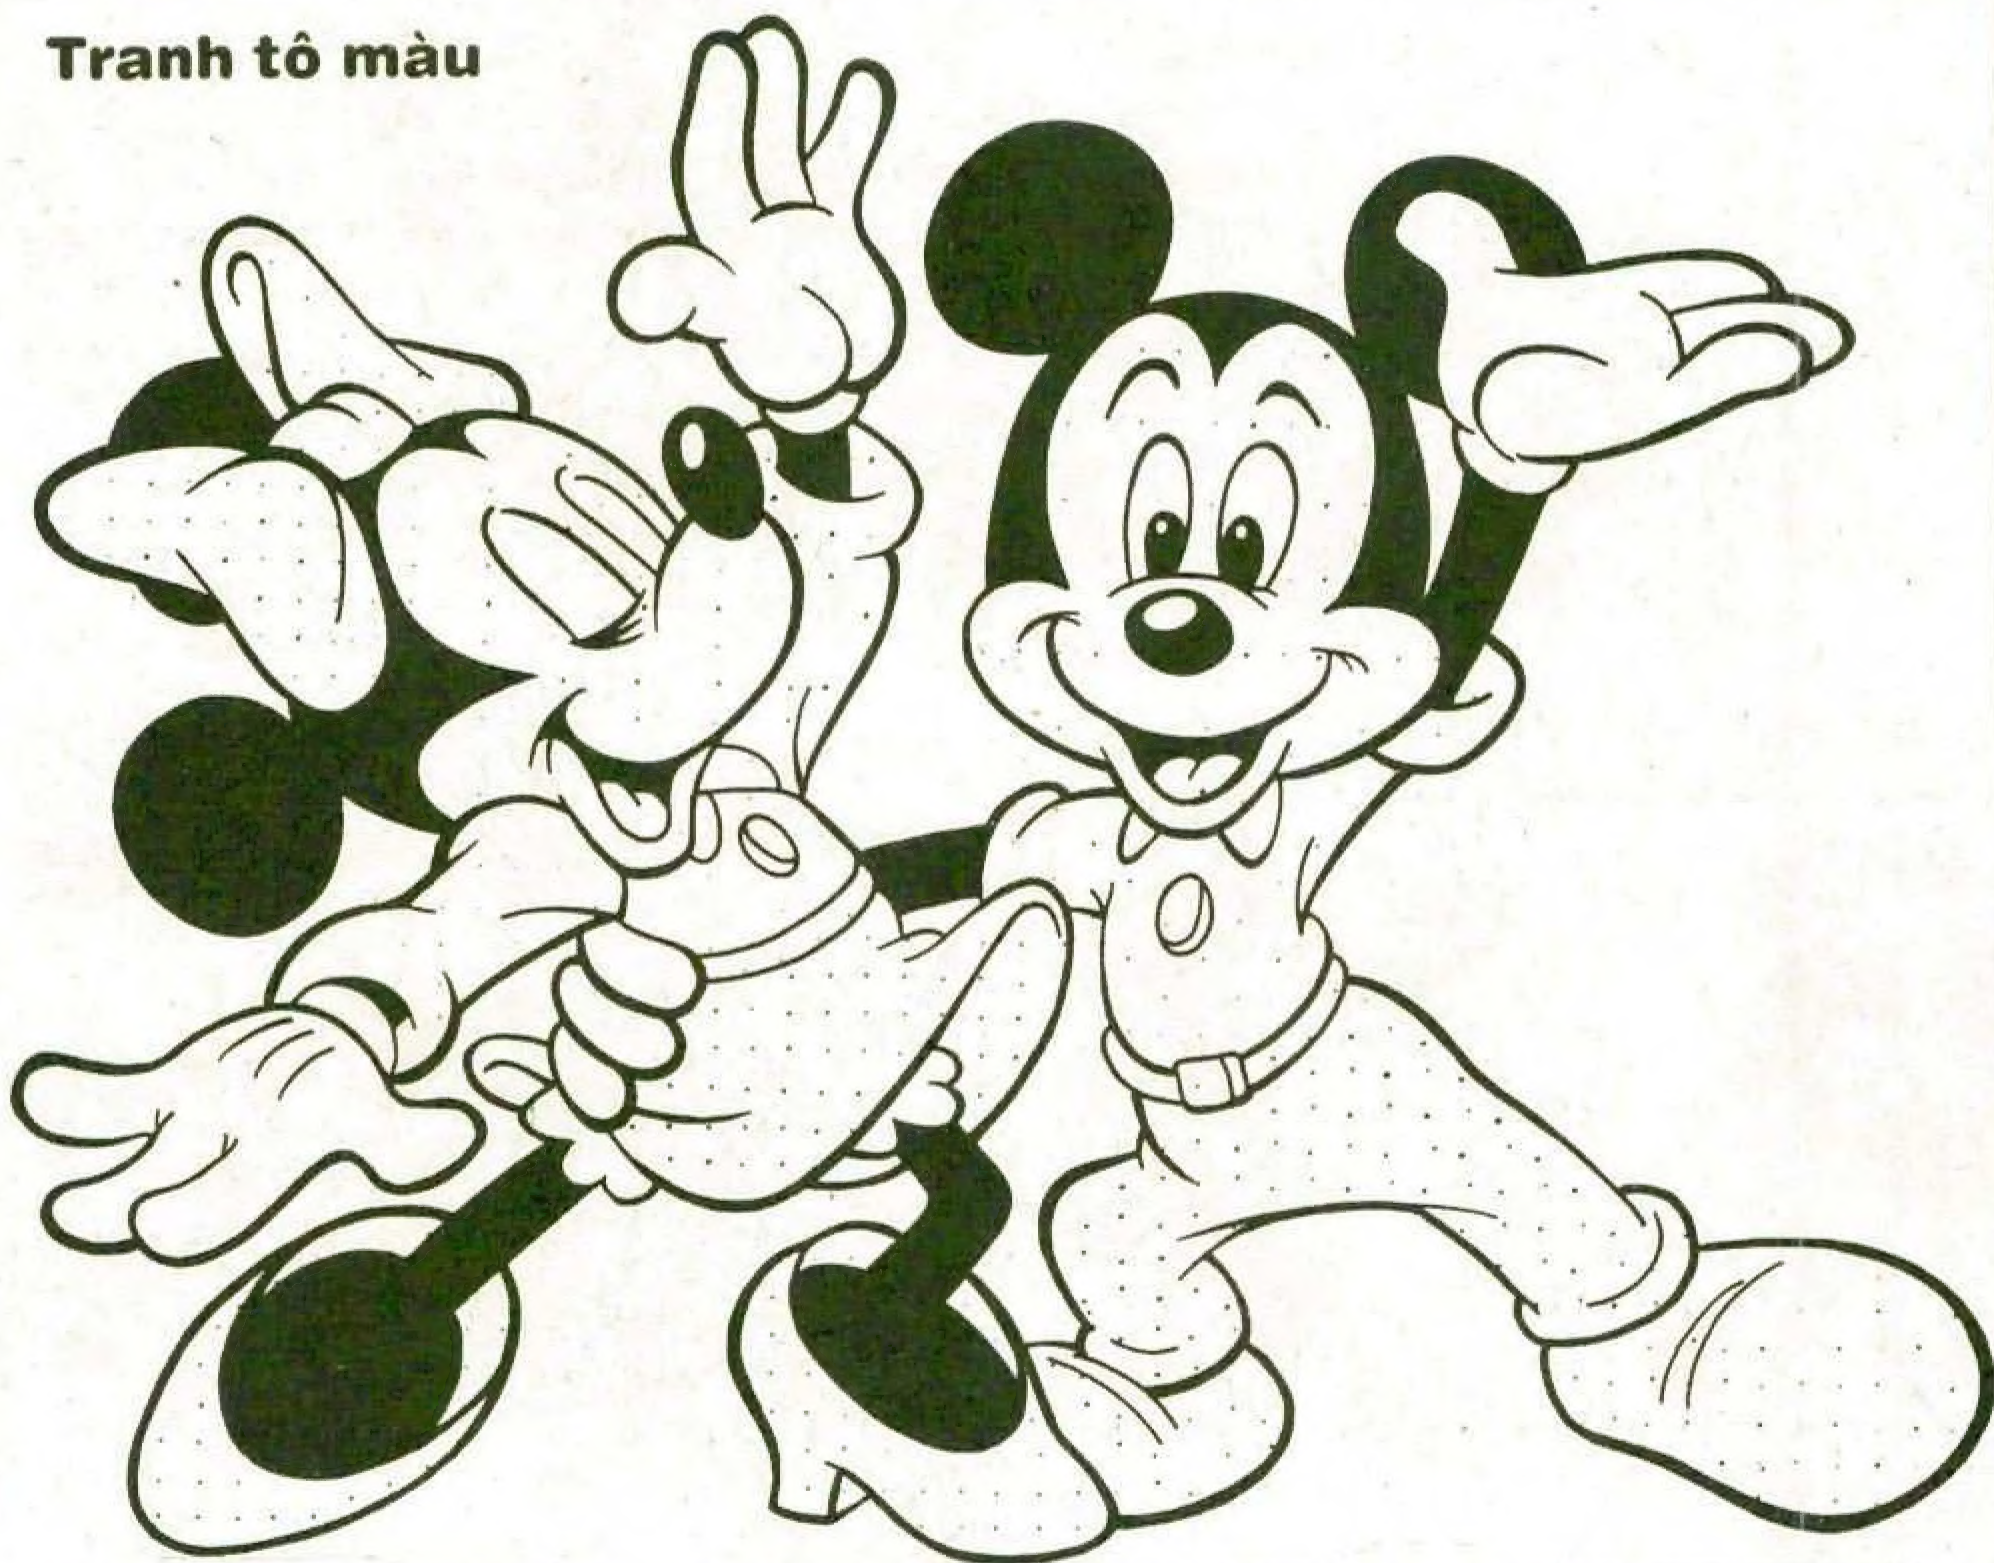

"Ai vậy?"

"Một bác sĩ khác!"

## Tranh tô màu

Thấy chúng tôi vui không, ai như Donald và Daisy, gây lộn hoài à! Các em hãy tô màu tranh theo ý thích.

## Với các nội dung Vẽ truyện tranh

Bọn vịt nhóc ở nhà Donald cứ mê mẩn loại truyện tranh "ba xu". Thay vì giới thiệu cho các cháu xem những loại truyện tranh khác lành mạnh bổ ích thì Donald lại làm ra vẽ ta đây là tay tổ vẽ truyện tranh! Rồi chú cháu họ đánh cược với nhau: nếu Donald xuất bản được truyện tranh của chính anh — bọn nhóc sẽ rửa chén liên tùt hai tháng, bằng không... chẳng những ngược lại mà Donald còn sẽ không được can thiệp vào việc các cháu thích đọc sách gì! Gay quá, lỡ mồm lỡ miệng rồi Donald cũng liều vẽ... Những bức tranh xấu xí vụng về của Donald làm người ta chết cười! Chưa chịu thua, Donald xin làm "lonton" trong một xưởng vẽ truyện tranh để học nghề. Y như rằng, Donald lại gây tai họa cho xưởng vẽ...

### Cung điện của ông vua kinh dị (Phần cuối)

Kẻ bắt cóc và cầm tù Mickey với Eega Beeva chẳng phải vua chúa gì hết mà đúng hơn là một kẻ mắc bệnh hoang tưởng. Thế mới kinh dị! Bởi con người này cũng biết sử dụng sức mạnh tinh thần để điều khiển và trấn áp người khác. Khi đã bị giam, Mickey và Beeva tìm thấy rất nhiều nạn nhân cùng cảnh ngộ đang bị ông vua tự xưng này hành hạ...

### Săn cộp trong thành phố

Ở thành phố làm gì có cộp mà săn (tất nhiên không tính đến cộp trong sở thú)? Công ty Du lịch Duckburg mở cuộc thi "săn cộp đồ chơi" với giải thưởng là một chuyến du lịch đến Burgalore không mất tiền. Khi thấy Gladstone bỏ qua không thêm tham dự cuộc thi, Donald hí hửng đến độ không kèm được cái cười khoái trá! Chắc mẩm sẽ là người đoạt giải, Donald trở nên liều mạng kinh khủng! Bởi vậy, còn ai khác có tài năng biến một cuộc săn cộp đồ chơi thành bị cộp thiệt rượt chạy te tua ngoài Donald chứ?
